### Giving YAH the Praise

The Word of God brought me here. I heard Pastor Smith in summer of 2009 and realized I needed to be taught. Thank God for Pastor Smith and TWOGC. *Bro. Leon*

### Birthdays

TWOGC would like to remember all the saints who celebrated their birthday in the month of May:

Ethan | Bro. Anthony | Bro. Dannie | Bro. Brandon

May YAH continue to bless you all with many more years, according to His will.

I am 26 years of age and through the understanding that I have received from the ambassadors of YAH, I am able to abstain from lusting and fornication. Prior to coming into holiness, dating for me was not portrayed as it is in the movies. Being driven by the flesh, I realized that I did not treat women as they should have been treated.

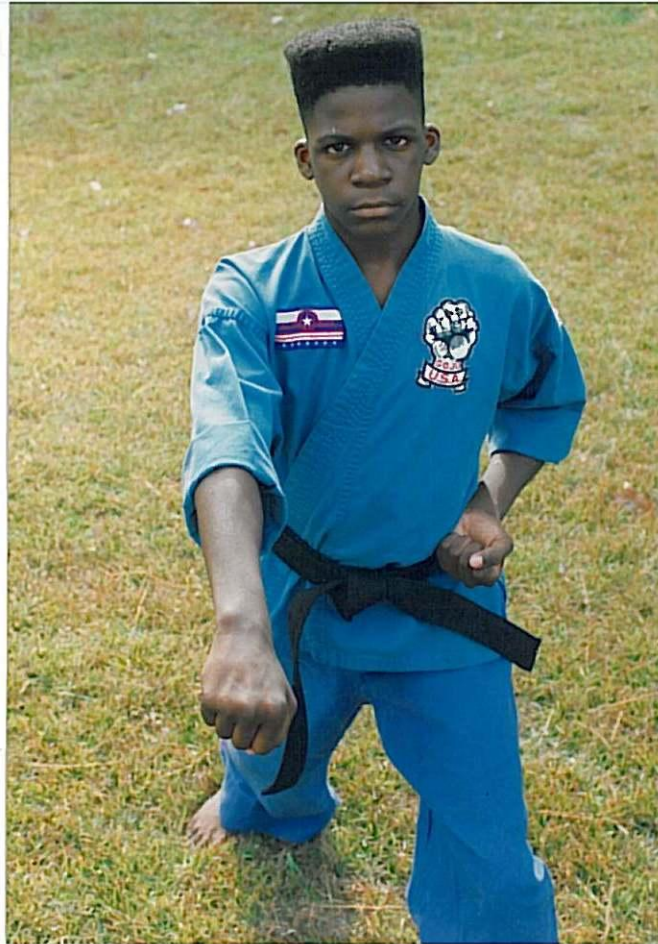

Although I worked long hours in various occupations, there was still time in my schedule to fornicate as often as time would allow. However once I learned of the truth, I made it my top priority to put down sin and live holy.

As a saint of the Most High, the Word gives me guidelines which I adhere to in conjunction with being patient. The Word teaches me to examine myself, but through patience and self love I can now see what I desire in a wife. Even after being in holiness for five years, occasionally I have thoughts of being with the women in my past, but I use the Word to cast down those thoughts and imaginations.

Fornication is no longer an issue for me since I made up my mind to serve Yah. Having my mind stayed on HIM, I am content even though I would like to be married. The world has their opinion of what an attractive woman is, but it saddens me to see their lack of self-respect in how a woman of the world adorns herself.

All a person has to do is trust and believe in the Lord and allow patience to have her perfect work.
